To Who it may concern . I am asking for a water and sewer connection to 4812 Main Street . I need this connection to be able to move forward with the development of the 4 unit townhouse project approved by council . I would like this approval as soon as possible so I can move forward with ground work .

Thanks Robin Blake ,

Good afternoon:

I am writing this letter to apply for sewer hook up at 80 Horton St in Oxford.

I am placing a mini home on the property ASAP. The pad is already going into place.

Please let me know if there is any other paperwork you need.

Sincerely

Karen M. Barclay
