Mayor's Corner

I took a peek at the upcoming events taking place around town for the month of August and it appears there will be lots for folks to do. The level of volunteering spirit in this town is nothing short of amazing. A big thank you to everyone who takes the time to coach, lend a hand, do a little baking, show up and cheer, pitch in when they can. Volunteers are the wheels that keeps this town running, (or walking).

Public Works are doing some road work and on the trunk roads (i.e. Main St., Little River Road, Lower Main Street, Pugwash Road and Birchwood Road) are required to use traffic lights. It is imperative that drivers heed these lights. The safety of the town crew depends on it.

The Nova Scotia Utility & Review Board mandates that the town carry out water meter inspections on all residences. These will start taking place in August. Your cooperation in this will be greatly appreciated.

Have a great August!! – Greg

The Oxford Food Bank

Drop off your donation at The Town Hall!

This month the Oxford Food Bank is looking for donations of School Snacks! Pudding cups, granola bars – all healthy snacks are appreciated! Thanks in advance for your generosity!

Check Before You Burn

Please check dacfc.ca/burnsafe to make sure it's safe to burn. Let's all do our part to support the efforts of our amazing fire department.
