Schools Out!!!

In the English language, never has there been two more glorious words. The heady days of summer have arrived and for the next 2 months students are let loose. By the first week of August more than a few parents will start counting the days and will be humming the Staples theme song: It's the Most Wonderful Time of the Year. Let's all do our part to make sure it's a safe summer for the kids. Watching out for kids when we are driving and being on the alert for danger in all forms. In these times we have all learned that tragedy can happen in a heartbeat.

Let us all play a part in ensuring the kids have a safe summer!!!
