Oxford Detachment Occurrences

July 1 to September 30, 2026

2026942835 - Complainant reporting a consensual fight between him and another male inside the Scotiabank and in the parking lot. The complainant said the male then grabbed a tire iron out of his vehicle and made threatening gestures. Both all parties walked over to the RCMP detachment together, believing the other was in the wrong. Investigation revealed no immediate danger as both parties walked together to the RCMP detachment and then departed in no rush, all while being calm. The complainant stated he does not fear for his safety or that anything further will occur. Member to acquire video footage from the Scotiabank for further investigation, currently there are concerns with inconsistency in statements, further investigation and review of local surveillance video to be conducted.

20261133521 - Complainant reporting having ongoing issue with ATVs on Waverly St periodically the last few days. Complainant stated ATV's are the using sidewalk and driving unsafely on road, no helmets, possible liquor use, no plates or names provided. Complainant is requesting additional patrols. Member spoke to the complainant for sometime regarding his concerns. Patrols continuing to be conducted. This is likely to be an ongoing issue due to the new NS Road Trails Act that allows ATVs on all town streets.

20261370908 and 20261392466 - Two calls over four days from Oxford Regional High in regards to problems with their garbage and dumpsters. School reports an unknown male with a box cutter rummaging through the trash and leaving a mess behind. A second call was received of the garbage bins being moved to the trail behind the school. No suspects identified and the security footage inadequate to provide ID of suspect.

20261399442 - Complainant reports that several vehicles were causing issues in downtown Oxford, spinning tires and revving engines, ripping up and down the street, parking in the town lot and leaving piles of garbage behind. The complainant provided several vehicle descriptions and plate numbers however the plates did not match the descriptions. The complainant will follow up with photos of suspect vehicles.
